

## Student Grade Verification Requirement

The Illinois Secretary of State requires that all students enrolled in a Driver Education Program show proof that they are in good standing with their high school. A completed **Driver Education Verification Form** is required by Top Driver before a Certificate of Completion can be processed.

- The **Driver Education Verification Form** must be signed by the Student, a Parent and a High School Administrator: <https://www.topdriver.com/wp-content/uploads/2014/07/Driver-Education-Verification-Form-140729.pdf>
- Home schooled students can provide the **Home School Parental Consent Form**: <https://www.topdriver.com/wp-content/uploads/2014/12/Home-School-Form-2014.pdf>

**To avoid processing delays, students should submit the Driver Education Verification Form or Home School Parental Consent Form *on or before the first class*. Failure to provide this information will delay the student obtaining their license.**
